Aloha to the Holy Trinity Parish,

Due to an almost unforgiveable oversight we realized today that we never sent a thank you for your incredibly generous donations to the Mary Jane Program. Please don't let our tardiness reflect on how truly grateful we are for your time, amazing donations for our moms & babies, the home and for the financial donations as well! You have truly blessed us!!

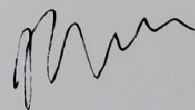

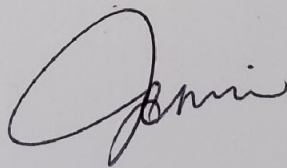

Since you were here the house filled up with moms and now babies. Everyone is doing well ♥. And our families have everything they need - so much in thanks to you. It was also a pleasure to work with Marti Lee and her group. We know you spent a lot of time and care on this project so we want to be sure you know how much it is all appreciated.

As I mentioned when you were here, our MJP program coordinator Jennie would be happy to come out to your church- to meet with a small group, or during a mass for the whole congregation and share with your parishioners more about our mission, program, and services. It would also be a nice opportunity to share our gratitude in person, just let us know.

God Bless you all, Mahalo Nui
and please keep our program and families in your prayers.
